

ONLINE COURT RESERVATION FOR MEMBERS

Online reservations

From now on you will need to log in to mijnamstelpark.nl to reserve a tennis court. You can easily do so with your email address and personal password. Every member of T.C. Amstelpark automatically gets an account. If you haven't signed in before you will need to request a new password by clicking on "Nieuw wachtwoord aanvragen".

Once logged in, you'll find a button at the top that says "**Baan reserveren**".

On the next screen you will fill in the names of the member(s) you will be playing with. As you type, the system will start looking for that person in the database. Using last names offers the quickest results.

When all players have been selected you can choose to click on "Eerste vrije banen" to select the next available court. You can also click on "**Overzicht**" for an overview of all available courts. Select the day you'd like to play and find the availability of each court on that day.

Use the "**Reserveer**" button behind the desired time to reserve the tennis court. In the next screen check the details and click "**Reserveer**" once more to finalize the booking.

You will receive an automated confirmation email of the booking.

When you come to the park to play, you will need to confirm the court and let the system know you are present at least 10 minutes before the start of your booking. You do so by swiping your KNLTB member card through the terminal that's on the wall in the hallway behind the double doors of the clubhouse. Courts that are not confirmed at the terminal will automatically be released for other members to book.

Please direct any questions regarding online reservations at tennis@amstelpark.nl or our staff members at the service desk in the clubhouse.
